I never in a million years thought I'd finally get to eat steak...

It's so difficult-
Removes

How long are you planning to cry for? How are you supposed to tutor me if you're like this?
Uwaaaaah!
...be quiet!

My tears just won't stop falling-
In addition to studying you also partake in outdoor calisthenics yes?
Doing some exercise might help take your mind off things.
Tennis for example
The place I usually exercise is actually-

Ah...It's so lively today!
Wha...
Public dancing!?

Hey! Zhang-ma! Xue-yi! You've come again today!

Young Lin, it's been so long since you've last come!

Ahahaha you're right it's been a long time!

We've learned a new move since you've been gone. I'll show it to you.

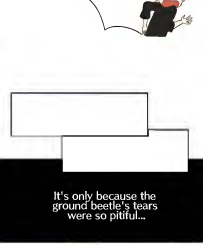
.....

Lin Fan...Who are all these women?!

Aiya! Is this your boyfriend?

Freezes!

Why is her hobby so terrifying!!
So handsome!
Let auntie feel your face~
Oh my~ Your skin is so soft~ So smooth~
My youthfulness...is going to be contaminated!
Don't touch me!
Don't touch me, I said!
WHAT?!
Hey! Jin Lingfen.
You dare call me by that name~
Come over here!
Moving together
翩~翩~起~舞
Swiftly~moving~together
.....



It's only because the ground beetle's tears were so pitiful...

My great self has never done something like this before!

Jin Lingfen! Follow what Zhang-ma does!

...You really piss me off!

If we could fly together hide by side... I really wish we can be together forever...

But there's a first time for everything.

This person is so happy...

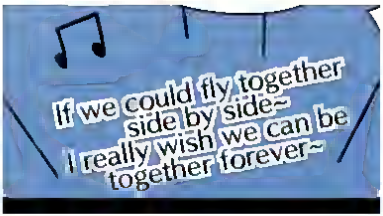
# Public dancing

Public dancing/exercise is a common sight in China (eg in parks, in front of hotels, university campuses, public squares, etc)



These are lyrics to a song called The Mute Bride, theme song from 2005 drama of the same name.
